- I acknowledge that, while rare, an allergic reaction to the jewelry may occur.
- I understand that permanent jewelry is not recommended for customers with pacemakers.
- I recognize that although 14k Gold Filled Jewelry is made from high quality metal, its longevity may vary from person to person depending on factors such as lifestyle, body chemistry and physical activity.
- I agree to follow the jewelry care instructions provided by the technician.
- I understand there may be situations in which I will need to remove my jewelry, such as medical procedures. The jewelry can easily be removed with scissors and reattached by the jeweler at a later date for a charge of \$25.
- I grant permission for the technician/jeweler to take photographs or record footage of my jewelry and procedure for their marketing and promotional purposes.
- I have had the chance to ask questions and received satisfactory answers.
- I understand the risks and potential side effects associated with the permanent jewelry procedure and realize that results may vary from person to person.

### RETURN POLICY

- Anchor Boutique is not responsible for replacement of lost or tarnished chains after two weeks.
- Within two week period: A refund or replacement of chain is provided. (I acknowledge that Anchor Boutique does not offer full refunds for the permanent jewelry service. The refund will not include tips or the credit card processing fee of 3%. Must show proof of purchase.)
- I acknowledge that the word "Permanent" in Permanent Jewelry does not imply that the welded chain is impervious. It describes the custom experience of measurement and welding of the chain without the use of a clasp.

**I will not hold the technician/jeweler, retail business, or employees accountable for any undisclosed issues or adverse effects stemming from the permanent jewelry. This agreement is valid for this procedure and any follow-up appointments.**
